LUXURY SHEET FLOORING

Beautiful
and healthy
for those
you love
most.™

 **Tarkett**

TruTEX™

LUXURY SHEET FLOORING

Modern Floors for Modern Life.

Trust TruTEX™ Luxury Sheet Flooring to go where other floors cannot. This unique technology installs over many types of existing floorcoverings and greatly reduces the time normally spent preparing concrete and plywood subfloors. From kids' bathrooms to damp basements, the TruTEX moisture management system enhances the life, beauty and performance of your floors.

- **Resists mold, mildew & moisture staining** and backed by a 2-year, "no questions asked" AquaGuard® Guarantee (see limited warranty for details)
- The Beyond Tough™ backing **protects against rips, tears and gouges**
- **No messy glue** or elaborate substrate preparation
- **Comfortable and quiet** with TruTEX backing technology
- Moisture management makes TruTEX **perfect for wet areas** like bathrooms, kitchens and basements

Beautiful
and healthy
for those
you love
most.™

Tarkett Luxury Sheet Flooring is a refreshing collection of premium designs, creating inviting and comfortable spaces in every room of your home. These safe, low-VOC materials are built to last and are certified Asthma & Allergy Friendly so you can breathe easy for years to come.

FRIENDLY

TruTEX Advantage

- **AquaGuard.** State-of-the-art backing allows moisture to dissipate and is treated to resist mold and mildew.
- **Beyond Tough.** Pet and family friendly, 2x stronger material protects from rips, tears and gouges.
- **Go anywhere.** Installs over old, damaged or contaminated floors and OSB—when paired with ProSheet Plus 3®.
- **Easy install.** Floating technology allows quick and inexpensive décor updates.
- **Doing good.** Backing contains 50% recycled content from water bottles.

Textile Backing
Dissipates moisture and adds superior strength

Realistic Designs
Mimics real life textures
