

Tarkett Home Multi-Surface Flooring Cleaner

Tarkett Home Multi-Surface Flooring Cleaner is a revolutionary multi-purpose cleaning solution and is **designed for use with carpet and hard surface floors, as well as textiles**. This breakthrough cleaning solution utilizes natural tea tree oils that not only eliminates life's toughest stains, but also help to eliminate odors, including urine.

- Natural formula that is sustainably sourced
- Classified non-hazardous and environmentally friendly
- An effective treatment in removing odor, visible urine spots, and phosphorescence of urine
